A Message from the President

Hello everybody. Since March came in like a lion, hopefully April will enter in like a lamb. We had 16 people at our last meeting/lunch on March 2. It was one of our largest crowds in a while. During a good portion of the meeting, we shared our health issues with those present. It ended up being a very instructional and inspirational session. You can sure learn a lot about health problems that confront heart transplant recipients, and how you can handle them and succeed. That is also true for spouses since they also have health issues of their own besides helping the recipient. It is one of the most important functions that we as a support group can do for one other.

The Annual Darrell Harper Memorial Picnic is scheduled for Sunday, July 21, 2019 at the Oasis Conference Center in Loveland, Ohio. It's free to attend, bring your family and friends. The more the merrier. If you, or someone you know, would like to donate to our silent auction, feel free to use the donation letter enclosed. You may make your own copies as needed. In addition to food, we will have a magician, face painter and prizes for the children. Mark your calendars.

Mini-Marathon News

There were 14 people walking for Kyle's Heart this year. The late Jack Hunt received Kyle's heart in 2006. Carl Hunlock (Kyle's dad) and Michelle Chao came down from Columbus for the event. They also had lunch with Diane Hunt and shared great memories.
