## *Life Center*

Life Center, for those who are not familiar with the organization, is a Donate Life Organization that encourages and coordinates organ and tissue donations in the Cincinnati area. Several of our COH members are Life Center Ambassadors, who help out with mailings, telephone calls, health fairs, etc. Life Center has promoted the COH and provides us with their conference room for our meetings. They're a great organization.

## **A Message from the President Tony Mankus**

Hello everyone. Hopefully all of you had a nice and safe summer. My wife Jane and I don't travel very much anymore, but we did go to North Canton in June for our nephew's graduation party. Most of Jane's family was there, and we had a good time.

We had another successful annual picnic on July 15, 2018. Everyone seemed to have an enjoyable time, including the young adults and children. Fourteen heart transplant recipients attended the event. There were a few new faces and few old ones which we hadn't seen in a while. It was nice to see Ruth and Lance Jordan, along with Asia Werner. Asia had received her heart at the age of one, and is now planning to go to UC to study nursing this fall. Diane Hunt was brought to the picnic by Carl Hunlock, the father of the heart donor to her late husband Jack Hunt. Carl talked about his son, Kyle, and the event planned for August in Columbus, Ohio for the Kyles Heart Foundation.

The next COH meeting is scheduled for September 8, 2018 because we want everyone to enjoy the Labor Day weekend. Hope to see a good turnout for the chicken. See you there.
