A Message from the President

Things are slowly getting back to normal again, however, we still have a long way to go due to the coronavirus pandemic. I was finally able to get a haircut the first week when barbershops were allowed to open. Of course, I had to wear my mask inside the barbershop and sit far apart from the others while waiting for a haircut. Although my church is now partially open for parishioners, my wife and I are still watching weekly services online. I miss not being able to follow the Cincinnati Reds on TV and major league baseball in general. Hopefully, there will be a baseball season this year, no matter for how many games. The same goes for all sports, at every level, both amateur and professional.

As I mentioned in the last newsletter, it was decided at our last meeting in March that we do not have enough active members and volunteers left to put on a successful annual picnic. We just have lost too many of our active members over the last few years to be able to put on a successful picnic. Then the National Emergency was declared which would have caused us to cancel the summer picnic anyway.

We all pray that this coronavirus situation will soon end, and that we can all get back to our normal lives.
