A Message from the President Tony Mankus

Hello everyone. Hopefully all of you had a nice and safe summer. We had another successful annual picnic on July 21, 2019. It's nice to see old faces even if it's only once a year. Everyone seemed to enjoy themselves, especially being indoors at the Oasis Conference Center and not being outside in the heat. The homemade desserts were wonderful. Twelve heart transplant recipients attended the event and had the opportunity to renew old friendships. Unfortunately, two outstanding heart transplant recipients were not in attendance and were greatly missed. One was Glen Moore, a long time Trustee and the group photographer, who had passed away at the end of April. He and his wife Ruby were also very active with the Life Center. The second person was Debbie Stoeckel who had passed away the previous Monday. She and her husband Bill were active in the Change of Heart and Pick Ribbon Girls, along with doing volunteer work for the Life Center. She enjoyed volunteering and being a part of support groups. She was a fighter, someone who never gave up. Debbie inspired people and gave them hope. Her smile would light up a room when she entered. The Life Center graciously provided a large photograph of Debbie for us to sign off on at the picnic. The photograph was later given to her husband Bill. Debbie and Glenn will be sorely missed by all of us.
